

**BENTON TOWNSHIP
EATON COUNTY, MICHIGAN**

ASSESSING, EQUALIZATION AND PROPERTY DEPARTMENT

I am authorizing the following descriptions to be combined for Tax Year 2025.

I am aware that if there is a mortgage or back taxes owned that it could create problems in the future. It is the Owner's responsibility to make their mortgage company aware of this combination.

The owners' name(s) on all parcels requested for combination must be exactly the same. If this is not the case, new deeds must be recorded at the Eaton County Register of Deeds to provide for this requirement before combination can take place.
